

Summary of Minutes, East Boldre School Fields Trust held 13th August 2025

For general information.

In addition to usual business the committee considered the following at the recent meeting:

- We received a Lottery grant towards the replacement roof. Application made for CIL grant to enable potentiall installation of solar panels and batteries. Awaiting decision.
- Continuing to host village hall users as that hall approaches closure for refurbishment.
- Welcome more regular users; discussed hire rates. Enquires for all bookings to continue to be made to the booking clerk. Please see the page on www.eastboldre.org
- Planning to fit out the smaller room as an additional meeting or quiet space.
- The outside toilet has been unlocked during the Summer holidays. We are pleased that there have been no problems this year.
- Several people have been bringing their dogs onto the site during the holiday period. It needs to be emphasised that the whole of the School Fields site is a **dog free zone**. As it is a play area for children dogs are not allowed anywhere.
- Following the very successful Scarerow weekend it is hoped to put another event on in the future. Possible next date is 2027.
- Next committee meeting: October 2025 TBA

Meetings are not generally open to the public as the AGM is the forum for the public. Please send any questions and comments in writing to the Secretary for the management team to consider at the next meeting.

We hope you find this report useful, and if you would like to be involved, or help at future events we would be very pleased to hear from you.
