

Summary of Minutes, East Boldre School Fields Trust held 28.10.25

For general information.

In addition to usual business the committee considered the following at the recent meeting:

- New Roof: Awaiting decision on grant applications before being able to proceed. We are hopeful that we may potentially be able to fit solar panels with a battery.
- We continue to make the hall available to users of the village hall while it is being refurbished.
- New hire rates come into effect from 1st January 2025:

Residents of East Boldre = £12 per hour, minimum period is 4 hours, to include set up and clear away time

Non residents = £13.50 per hour, minimum period is 4 hours, to include set up and clear away time

Existing village hall users to be charged residents rate only while village hall is out of use

These rates include heating costs.

- The small room is to be improved to provide a meeting space, to be fitted with furniture and made more comfortable.
- The current fridge freezer is to be replaced with a fridge in the kitchen as it was not working properly.
- Work has been carried out to trees along the boundary; grass has been cut and hedges will be tidied before the Winter. Maintenance of the grounds takes the largest part of funds.
- Next committee meeting: to be decided.

New regular users are welcome; contact the booking clerk for information. Please see the page on the village website for the diary and contact details www.eastboldre.org

Meetings are not generally open to the public as the AGM is the forum for the public. Please send any questions and comments in writing to the Secretary for the management team to consider at the next meeting.

We hope you find this report useful, and if you would like to be involved, or help at future events we would be very pleased to hear from you.
